Strategic Plan of the College 2020-21

Academic Plan

After the consultation with the various Cells, Committees, Heads of the Departments and the senior faculty members of the College, the Strategic Plan for the year 2020-21 on the matters related to academic affairs are stated below:

1. The admission process will be conducted in a fair and smooth manner strictly based on merit and in accordance with the reservation policy of the Government of Assam. The transparency of the admission process is assured as the mode of admission is online.
2. The College runs various skill-based professional courses along with the normal UG programme. Considering the present scenario, the students will be encouraged to opt for such courses for better career opportunities.
3. The Computer laboratory facilities will be enhanced to provide access to a maximum number of students.
4. As per the requirement of the latest CBCS syllabus, the library will procure good numbers of text and reference books to meet the demand of the students and faculty. The renewal of subscription for journals and magazines will be done as a standard practice.
5. The research laboratories will be modernized with the procurement of latest tools and innovative technologies..
6. Modern Teaching - Learning Methods and tools will be adopted in the College for better classroom experience.
7. Need based online classes will be held considering the outbreak of COVID-19 and the SOPs issued by the competent authority from time to time in this regard will be followed.

This is for the information of all concerned.

Extra-Academic Plan

After the consultation with the various Cells, Committees, Heads of the Department and the senior faculty members of the College, the Strategic Plan for the year 2020-21 on the matters related to extra academic affairs are stated below:

1. The students will be motivated to participate in intra-college and inter-college debating, elocution and other extra-curricular activities for personality development, inculcating leadership qualities and boost team-spirit
2. Proper counseling and training of the students will be imparted by the Career Guidance Cell to explore career opportunities and new dimensions of the job market.
3. The College with its available resources and man-power will adopt few neighbouring academic institutions such as schools to provide them necessary academic support for the growth of their students.
4. Under the banner of NSS of the College, the students are motivated to participate in philanthropic activities for the underprivileged and downtrodden section of the society.
5. The institution, as a standing principle, promotes the participation of the students- both girls and boys in NCC for fostering the spirit of nation-building.
6. The Games and Sports Cell of the College will facilitate and mobilize all necessary resources to the students for their training in sports and participation in competitions of different levels.

This is for the information of all concerned.
